Sugar allotment for January 2010 = 6465 Qtls for 3 Weeks-BPL
 Sugar allotment for February 2010 =4310 Qtls for 2 Weeks-BPL

12. Door step Delivery:

With a view to control leakage and diversion of food grains under TPDS, Govt. of West Bengal in the Food and Supplies Deptt. decided to introduce "Door Step Delivery" of food grains under PDS from Distributor's godowns up to the door step of Fair Price Shops.

Initially Panskura Block of this district was selected for the proposed system .And the System was started functioning in Panskura Block w.e.f. 1-9-2008.

Later the scheme was extended to the Ramnagar Block, Sahid Matangini Block and Chandipur Block of the district w.e.f. 1-8-2009.

Presently the system is successfully going on in the aforesaid 4(Four) blocks.

Cont.page-5

13. Scheme of distribution of Fortified Atta to identified BPL Beneficiaries.

In view of the alarming survey report of nutritional status, particularly regarding iron and vitamin deficiency, the Govt. introduced the distribution of fortified atta in some districts of West Bengal since 2006.

In the district of Purba Medinipur the scheme was introduced in eight blocks in 2006.

In 2009 entire district i.e. 25 blocks has come under the scheme. All the identified BPL beneficiaries of this district are now getting fortified atta instead of Wheat through PDS outlets .Five flour/atta mills have been selected for crushing wheat into whole meal atta with mixing of micro nutrients to make it fortified atta.

14. Formation of different Monitoring Committee-District Level Subdivision Level & Block level Monitoring-cum-Vigilance Committee Formed and Functioning.

Sub-Division	Subdivision Level Monitoring Committee Formed	Block Level Monitoring Committee		FPS Level Committee
